

Google Business Profile Optimization Checklist

Big Creek Tree Service — Do this once. Rank in local search and AI forever.

STEP 1-3: TODAY (15 min)

STEP 4-6: THIS WEEK (30 min)

STEP 7-9: ONGOING (5 min/wk)

STEP 1 — Claim & Verify Your Profile (TODAY)

Go to: **business.google.com** — sign in — search Big Creek Tree Service — claim it.

- Request verification (choose Phone — fastest option)
- Profile shows Verified with green checkmark

STEP 2 — Business Info (TODAY)

Every field must match the website exactly. AI engines cross-reference these.

Field	Enter This
Business Name	Big Creek Tree Service
Phone	(216) 551-6445
Website	https://www.bigcreektreeservice.com
Service Area	Strongsville, Parma, Berea, Medina, Westlake, Lakewood, North Olmsted, Avon, Brunswick, Olmsted Falls, Northeast Ohio, Greater Cleveland
Hours	Mon-Sun: 7:00 AM - 7:00 PM
Emergency Note	Add '24/7 Emergency Service Available' in description

STEP 3 — Business Description (TODAY)

Info → Description → Edit → paste this exactly:

Greater Cleveland's #1 tree and land service. Big Creek Tree Service provides licensed and insured tree removal, stump grinding, land clearing, tree planting, tree treatment, demolition, and haul-away across Northeast Ohio. We serve a 40-mile radius from Cleveland including Strongsville, Parma, Berea, Westlake, Medina, and surrounding communities. 24/7 emergency storm damage response. Free estimates on every job. Call (216) 551-6445.

STEP 4 — Add All 9 Services (THIS WEEK)

Services → Add a Service. Add each with a short description.

- Tree Removal & Trimming
- Stump Grinding
- Land Clearing
- Storm Damage Response (mark as 24/7)
- Tree Planting
- Tree Treatment & Disease Management
- Demolition
- Haul Away
- Tree Consulting & Risk Assessment

STEP 5 — Upload 10+ Photos (THIS WEEK)

Real photos outrank stock. Use Atlas Landscaping photos (Mark Allen gave permission — facebook.com/landscapeandtreepro).

- 3-5 job site photos (removal, land clearing, stump grinding)
- 2-3 before/after photos (most powerful)
- 1-2 crew photos
- 1 truck/equipment photo

Tip: Rename files before uploading: tree-removal-strongsville-ohio.jpg — helps SEO.

STEP 6 — Fill In Q&A (THIS WEEK)

Q&A → Add a Question. You ask and answer your own questions.

Q: Do you offer free estimates?

A: Yes - Big Creek Tree Service offers free on-site estimates across Greater Cleveland and NE Ohio. Call (216) 551-6445 or request a quote at bigcreektreeservice.com. We respond same-day.

Q: Are you available for emergency tree removal?

A: Yes. We provide 24/7 emergency storm damage response - fallen trees, limbs on homes, blocked driveways. Call (216) 551-6445 any time.

Q: What areas do you serve?

A: We serve a 40-mile radius from Cleveland including Strongsville, Parma, Berea, Westlake, Medina, Brunswick, Avon, North Olmsted, Lakewood, Olmsted Falls, and surrounding NE Ohio communities.

Q: Are you licensed and insured?

A: Yes. Big Creek Tree Service is fully licensed and insured for all tree removal, land clearing, stump grinding, and demolition services in Ohio.

Q: How quickly can you respond?

A: For non-emergency jobs we typically schedule within 1-3 days. For storm damage emergencies, we aim to be on-site within hours. Call (216) 551-6445.

STEPS 7-9 — Ongoing (5 min/week)

Post weekly updates: Job completions with photos, seasonal tips, service highlights. Google's AI weights recency — dormant profiles rank lower.

Respond to every review: 'Thank you [Name]! It was a pleasure working on your property in [city]...' — signals active management to Google.

Text review requests after every job: 'Hey [Name], thanks for choosing Big Creek! If you're happy with the work, we'd appreciate a quick Google review: [your link]'

Get your review link: GBP Dashboard → Get More Reviews → Copy short link

Now: 5 reviews Not enough for AI citations	Target: 25+ reviews AI cites you for 'best tree service Cleveland'	Cost: \$0 1 AI lead/month = \$600-\$1,200 avg job
